

ATTACHMENT B, ANNEX 25 HURRICANE PREPAREDNESS

I. INTRODUCTION

This plan establishes specific policies and procedures to be followed by the state and counties when responding to the threat of a tropical cyclone approaching South Carolina and immediately after impact. This separately published plan augments the South Carolina Emergency Operations Plan (SCEOP) and is Appendix 1 to the SCEOP.

II. MISSION

To prevent or minimize injury to people and damage to property or to the environment resulting from a tropical cyclone by planning and coordinating the application of state and local resources to warning, evacuating, and sheltering South Carolina citizens.

III. CONCEPT OF OPERATIONS

See the South Carolina Hurricane Plan (Appendix 1 to the SCEOP) for complete information.

IV. RESPONSIBILITIES

See the South Carolina Hurricane Plan (Appendix 1 to the SCEOP) for complete information.

V. FEDERAL INTERFACE

See the South Carolina Hurricane Plan (Appendix 1 to the SCEOP) for complete information.
